Wines -
something
for
everyone!

The Public Schools Club is pleased to launch the first series of mixed wines crafted and blended by our own winemaker members. The first bold offering will entice your tastes. We want to share with you the unmistakable punchy fruit flavours of the whites and the sparkling wines right through to the very distinctive red wines with their own exemplary character, quality and style – a really unique collection. With Christmas and the Festive Season approaching – there will be many opportunities to share the Winemakers Selection.

The First Series includes a **Premium selection** of one dozen wines from the McLaren Vale, Kuitpo District and The Langhorne Creek region.

This series also includes an **Ultra Premium Selection** of 6 bottles from these same regions.

It is our plan to provide members with a wide variety of wines to taste – that is why we are providing only one of each wine in the first series. Our winemakers share this philosophy and want to offer PSC members with as wide a tasting range as possible.

The PSC wants to provide members with **both quality and value** and has been able to make these wines available at between 15% and 20% lower than the individual retail bottle price. Or a saving to members of \$45 for each Premium case sold and \$40 for Ultra Premium half case.

Every case of the Public Schools Club Winemakers Selection that is sold will also **contribute** to the **Club's Fundraising Program**.

We see this as a Win – Win – Win for members, winemakers and the Club.

We will also invite and value your **feedback on the wines presented**. We want to bring our members wine choices from all the wine growing areas in South Australia and will have three more series in 2010 – that will be launched at our future wine tastings.

To keep costs down we will hold the wine **orders for collection from the Public Schools Club** in East Terrace. You can collect your order and perhaps have a drink at the bar or even book a meal at Braggs! All you need to do is view the wine list - then **Email or Phone the Wine Project Manager, Peter Hylton to reserve your case** of the PSC Winemakers Selection. He will contact you right back and confirm your order and finalise payment arrangements with you on a personal basis.

The first step is to **reserve your case!**

FLASH – K1 and Pertaringa wines will be at the **Wine Tasting on 27 November**. Try & Buy!
